

PVC DUCT SWEPT TEE (TELECOMMUNICATIONS)

EF450-004 (Rev2)

General

Emtelle Swept Tees are injection moulded polypropylene and provide the means for break and branch of a ducted network, to provide customer connection via a drop duct.

Sizes are 88.9mm OD, 96.5mm OD and 110mm OD with interference fit socket joints and 53.9mm joint branch.

Swept Tees are supplied in non-returnable woven polypropylene sacks, which are biodegradable. The sacks are designed to be stored on an even, dry and stable area; they are not to be stacked upon.

Physical Characteristics

Standard colours are Green and Grey.

Other colours may be available upon request.
