

PowerProtect+TM Foam Pig with Rope

Product Description

Flexible and bi-directional, the Foam Pig (with rope) can be used to make the installation of draw wire and cable into ducts much quicker and easier. In addition to drawing cable, the foam pig can be used as a pipeline cleaning device. Foam pigs are ideal for negotiating duct bends, sweeping out debris and drying duct internals.

Features

- Lightweight & Easy to handle.
- Available in a range of sizes to suit.
- Simple/Fast Installation
- Clears Internal Debris and Dries Duct
- Removable & Reusable
- Suitable for both Power and Telecom duct.

Colour(s)

White with blue rope.
